

CELLER MASROIG, is a company dedicated to the elaboration, packaging, bottling and sale of red, white and pink wines. Located in the town of El Masroig (Tarragona), the winery has become a reference in the sector and is currently the most important in the Priorat region.

CELLER MASROIG establishes and communicates its FOOD SAFETY POLICY to demonstrate that it is a priority for the organization, safety and quality of the product offered, for this purpose, it proposes some objectives that it undertakes to meet to achieve maximum product quality, ensuring safety and the correct environmental performance.

The efforts of our company focus on:

- Compliance with relevant legislation, regulations and regulations, as well as other requirements signed by the organization.
- Provide the necessary resources for the development of the Food Safety Management System implanted. In addition to measuring and reviewing the objectives approved by the management.
- Evaluate risks and dangers for food quality and safety, controlling and minimizing them at all times.
- Fulfill the requirements stipulated by the clients, as well as informal about any matter regarding food security that may affect them.
- The continuous improvement of the processes, products and services in the field of food safety will be promoted, in order to minimize the non-conformities detected in the development of the activity.
- Periodically review the objectives to be achieved, as well as this policy to be appropriate for the company's performance.
- All employees will be involved in the management of the company's safety, empowering them to train and raise awareness of them.
- Promote external communication with customers and suppliers to transmit the necessary information on food safety, as well as internal communication with workers in all areas of the company to ensure the safety of the product and the correct performance of the Management System.
- 

CELLER MASROIG undertakes that this food safety policy has been communicated, understood and accepted by the company's personnel, as well as being available to all relevant stakeholders.
